### Definition

A late contribution is a monetary or nonmonetary contribution, including a loan, or a combination of monetary and nonmonetary contributions and loans, that:

- Totals \$1,000 or more from a single source that is made to or received by a candidate, a controlled committee, or a committee primarily formed to support or oppose a candidate(s) or measure(s); and
- Is made or received during the 16 days immediately preceding the election in which the recipient candidate or measure is to be voted on. (Gov. Code Section 82036.)

A late contribution includes contributions or loans from a candidate's personal funds to his/her campaign committee during the late contribution period.

### How to Complete

**Amendments.** To amend a late contribution report, assign a new unique identifying number as the Report Number, check the Amendment box, and enter the identifying number of the report you are amending.

Provide the full name, address, and telephone number of the candidate or committee filing the report. If the filer is a recipient committee, enter the committee's identification number.
